## It is good that you are a patient here.

Your physician(s) from whom you are receiving treatment is/are providing quality medical services to you. In cooperation with their clinic, we offer you the service of convenient installment payment. In this way, your additional burden can be spread over several months, and you yourself can determine how high the installment may be and when you want to pay the installments.

## The advantage for you: Our flexible payment start!

For installment agreements of more than 6 monthly installments, the payment start date can be individually determined by you within the first 6 months.
